

Job Posting: Project Manager / Consultant

Midwest Playscapes, Inc.

Location: Milwaukee Area, WI

Compensation: \$80,000 - \$100,000 (Based on Experience)

Midwest Playscapes, Inc. is looking for a talented and community-oriented Project Manager/Consultant to join our team and serve the greater Milwaukee area. We are a leading playground design, sales, and construction company specializing in creating engaging, inclusive play environments across the Midwest. This position is ideal for an experienced professional with established connections in Milwaukee and a passion for enhancing public and private outdoor spaces.

Key Responsibilities:

- **Project Management:** Oversee playground projects from initial client consultation through installation, ensuring timelines, budgets, and quality standards are met.
- **Client Consulting:** Work directly with clients, including municipalities, schools, and design professionals, to guide project planning, design selection, and implementation.
- **Community Engagement:** Build and maintain strong relationships with local stakeholders, civic leaders, and other community partners to expand Midwest Playscapes' presence.
- **Sales Support:** Collaborate with our sales team to support business development in new and existing markets, providing technical and design expertise as needed.
- **Design Coordination:** Partner with design professionals to integrate aesthetic, functional, and safety aspects into projects, aligning with local needs and regulations.

Qualifications:

- **Experience:** 3-5+ years in project management, landscape architecture, construction, or a related field; experience in playground or recreational space design is preferred.
- **Community Connections:** Strong ties to Milwaukee and surrounding areas, with a proven ability to network and engage local stakeholders.
- **Certification:** Certified Playground Safety Inspector (CPSI) preferred or willingness to obtain certification.
- **Skills:** Excellent communication, organizational, and problem-solving abilities, with a customer-centric approach.
- **Education:** Bachelor's degree in landscape architecture, project management, or related field preferred.

Compensation and Benefits:

- **Salary:** \$80,000 - \$100,000 to start, with significant potential for a successful candidate to earn substantially more based on performance.
- **Benefits:** Retirement plan and professional development opportunities.
- If you're an experienced project manager with strong community ties and a passion for creating play spaces that inspire, we'd love to hear from you! Apply today and help us bring imaginative, inclusive play environments to communities across Milwaukee.
